

Heavy Duty Cutter

00848

A heavy duty cutter for quick and accurate separation of whole piles of print-outs or the precision sizing of large stacks of paper - all, in absolute safety ! This high-spec model offers a host of user friendly features. Millimetre accuracy can be obtained thanks to a spindle driven back-stop. This machine delivers a big performance - it can even be used to size untrimmed DIN A3 stacks.

- Ground upper blade.
- Plexiglas safety cover - back-stop side fixed, off-cut side can be raised.
- Quick action clamping.
- Scale bar marked out in cm, inch and DIN sizes.
- Spindle driven, self-locking back-stop, set with a calibrated crank handle.
- Visualised cutting line.
- Front operated.
- Back-stop side 475 x 460 mm.
- Off-cut side 475 x 300 mm.
- Minimum cut 40 mm.
- Tested according to GS safety regulations.
- Accessory: Stand - product code 00718.
- 5-year warranty, excluding wear parts!
