

Document shredder DAHLE VolumePRO

20396

A high shredding capacity and an optimal feed width are the outstanding features of the 20396 KC shredder that is suitable for both usual writing paper and continuous stationery. Set up at a central place, it provides the data protection you need.

The cabinet is made from solid wood, the top cover from virtually unbreakable plastic material. With comfortable electronics in combination with an automatic reverse function. The motor cuts out automatically when the front door is opened and the waste box is full. This model is easy to move around thanks to four fitted castors. Cutters are made of special steel and cope with paper clips and staples. The shredder is supplied complete with 5 spare waste bags no. 20751 and a single tier feed rack no. 20718.

- 35-year warranty on solid-steel cutters
- Handled correctly, document shredders come with a 2-year warranty on proper working order
