

## UniCrimper for UniCovers

# UniCrimper

for UniCovers

www.  
unibind.  
com

## Application

- Pushes the documents in the liquid resin by crimping immediately after the binding, while the resin is still liquid.
- Crimps the steel spine of the UniCovers to match with the thickness of the documents.

## Benefits

- Creates an extremely strong binding in the steel spine
- Reduces the amount of spine sizes from 12 sizes to **5 sizes**: UniFlexCover  
UniBackCover  
to **4 sizes**: UniHardCover  
to **1 size**: InstaHardCover
- Improves the overall aesthetics of the bound book
- Makes the steel spine matching perfectly with the thickness of the bound documents.
- No open space inside the book between the documents and the steel spine.

## Performance

- Four sizes of XU Crimpers to crimp up the spine with upto 340 pages:
  - M** upto 80 pages
  - L** upto 120 pages
  - XL** upto 220 pages
  - XXL** upto 340 pages

## Easy to use

- User friendly: pinching with both hands to crimp the steel spine

## Reliability

- Maintenance-free
